

Mo Shaol i gCloch Cheann Fhaola/My Life in Cloughaneely 2020

Scríobh do thuairimí fá do shaol faoi láthair agus tú i do chónaí i gCloich Cheann Fhaola- na rudaí maithe agus na himeachtaí a bhíonn ar siúl agat i láthair na huaire. An bhfuil rud ar bith nach bhfuil maith fa dtaobh de..? Rud tábhachtach- Scríobh do chuid mianta don bhliain amach romhat. Thig leat seo a scríobh mar dan nó aiste.

Write about your thoughts about living in Cloughaneely at the moment- the positives and what you are up to at this time. Is there anything new you have learned to do or found you enjoy about this time? Is there anything that you find difficult at the minute? Important: Write also about your hopes and ambitions for the year ahead. You may write this as a poem OR essay.
