

Dia daoibh uilig,

Seo cúpla fógra beag...

Beimid ag fáil tuilleadh eolais anois gan mhoill ar athfhoscailt na scoileanna i Meán Fómhair.

Tugadh deontas mór breise don scoil mar scéim phiolóta DEIS- le leabhair scoile a cheannach. Beidh seo ina chuidiú - tá infheistíocht mhór déanta againn anois do Mheán Fómhair sa Mhata, mar tá muid ag pleanáil mar fhoireann cur le heispéireas na ndaltaí mar fhoghlaimeoirí san abhar seo..

Beidh laghdú ar an bhille leabhair i Meán Fómhair de bharr an deontais seo, ach beidh ar dhaltaí diol go fóill ar son leabhair oibre ina scríobhtar iontu.

Go raibh maith agaibh uilig ar son bhur dtacaíocht dúinn mar fhoireann.

Good afternoon,

We hope to have clarity in the next two weeks around September opening.

We will arrange with parents/guardians to drop off text books in school yard/premises in the final week of school term 15-19th June.

Thanks to having been chosen as a DEIS pilot school , we have been given an extra book grant, which is to be spent on books used and kept in school for use of pupils. This means we will not

have to charge book rental fees this coming school year.

Workbooks which are written in by pupils are paid for by families as normal. We have continued to invest in a lot of maths resources for all class levels, with senior classes having IZAK 9 Maths cubes to look forward to. Google it to find more info.

Infants will have the benefit of the Ready Set Go Maths programme and equipment.

****Dea-scéal a fuair muid inné: We just received the final sanction of Autism class- what great news to get at this time.

Our teaching and SNA staff are delighted with this development, which was thanks to a whole-school effort.****

Rang 6 will have a Zoom meeting on Tuesday 2nd as a practice for graduation evening, which takes place on 11th June.

Please see <http://www.staysafe.ie/parents.htm> for information on Stay Safe programme which would normally have been taught at this time. PLEASE NOTE: these lessons will be taught in September to ensure every child has accessed these important lessons about personal safety.
