An Brat Glas- Green Flag

An Ghnathóg Mhara- The Marine

Leis an mbrat seo a bhaint, caithfidh ár ndícheall a dhéanamh an plaisteach sa timpeallachta laghdú.... nuair atá muid ag ceannach bia, smaointigh ar earraí gan plaisteach a cheannach.

This flag, our 8th, is due for renewal in February. Global Citizenship is the theme, particularly focusing on how our waste is generated and how it makes its way to the world's oceans.

Thanks to the cooperation between school, families and local shops, Centra and the Cope, our school lunches are no longer travelling the length of the country to get to our children. So with your help, we are reducing plastic, cancelling food waste and reducing food miles

COSAINT LEANAÍ- CHILD PROTECTION

As you will be aware, schools are required by law to report any incidences or signs of child abuse or neglect. Please be mindful of our obligations as parents and guardians around the use of social media and online platforms by children. They are being exposed to content which is 18+ in content.... what happens if they are sent images by others... this may be a child protection issue and will involve the Garda Junior Liaison Officer and possibly TUSLA.

As a school, we have clearly laid out our Social Personal and Health Education for the year's teaching, so teachers can see clearly which lessons must be taught as part of the Stay Safe and Relationships and Sexuality Education curriculum. See Parents'/Guardians' section of www.scoilfhionain.ie for more on lessons.
