Dear Parents and Guardians,

As you may know, special classes reopened on Monday, and Infants up to Second class are due to return to school on Monday 1st March.

Below this letter further information is provided for parents/gaurdians for infants-second class .

Again, drop your child off between 9.10- 9.30 am please.

3rd-6th are due to return on the 15th March.

The same protocols will apply as with previous reopening in September, with two changes recommended: Increased ventilation during break times in classrooms, higher grade masks for staff working in close contact with children with additional needs. We have received additional funding at this time to upgrade and replace all copper pipes in school, and to upgrade hot water provision throughout entire building. At the moment the hot water is connected to heating system. This work began on 8th February and is continuing at the present time.

We are very well resourced with full automatic hand sanitisers/ sanitiser wipes and medical grade soap dispensers throughout school building. All products are sourced from Donegal shores Ltd.

Children availing of Supplementary School programme at home will continue to avail of these hours when school reopens.

Please read guidelines from Department of Education and Skills below this letter, under POLICIES/POLASAITHE.

Go raibh maith agaibh uilig, tuismitheoirí, caomhnóirí, cúntóirí agus múinteoirí atá ag tacú lenár bpáistí- táimid ag súil go mór le hiad a fheiceáil ar ais na scoile go sábháilte socraithe.

Thank you to all who are working together to support our children- We are delighted to be able to welcome them back to school safely in the near future, where settling pupils into a new routine will be our priority.

Le buíochas, Caitriona 'Uí Cheallaigh, príomhoide, foireann na scoile ar son an bhoird bainistíochta./principal, school staff and board of management.
