

Thanks to Múinteoir Seán who is leading the Creative Clusters Coding project (awarded to Scoil Fhionáin through the Schools Excellence Fund). It was set up last year by Múinteoir Nigel who oversaw the making of a VEX robot and where pupils learned to code using BBC Microbits. This year Makey Makeys are used to teach coding skills. The other schools invited by us to form our cluster are PCC, Pobalscoil Ghaoth Dobhair and Scoil Chonaill, An Bun Beag.

Due to Covid restrictions, schools cannot meet up but each school is conducting its own coding project.

Naíonáin ag baint súlt as an bParáid a bhí acu do Lá Fhéile Pádraig. Rinne siad a gcuid hataí iad féin agus bhí na cnaguirisí a bhualadh acu. GRMA Múinteoirí Agnes, Amanda, Claire agus Tina.

The infants had their own St. Patrick's Day Parade, after they had made their own hats. They made great use of the percussion instruments as they marched in time to their beat!

Códáil ar siúl i rang 4

Buíochas do Mhúinteoir Seán atá ag freastal ar an traenáil seo, ina bhfuil daltaí ag fáil taithí ar chódáil... ag úsáid Makey Makeys. Fuaireas an tionscnamh seo faoi bhráid na scéime Schools Excellence Fund- Creative Clusters. B'é Múinteoir Nigel a chuir tús leis an tionscnamh anuraidh, nuair a rinne páistí VEX Robot, agus d'fhoghlaim siad scileanna códála tríd úsáid a bhaint as BBC Microbits.
