

An Ghaeilge agus Scoil Fhionáin

Ag an Tionól is déanaí, phléigh muid téama na Gaeilge. Tá an t-ádh orainn go bhfuil ar bhféiniúlacht agus cultúr féin againn anseo ar an Fhál Carrach, ar imeall na Gaeltachta.

Our latest assembly was about Irish. We are fortunate to have our own cultural identity associated with being in an Irish-speaking area.

Seo buntaistí na dara teanga/ here are the advantages of being bilingual:

- You become a better communicator.
- Children are better at Maths due to the process of switching between languages.
- Increased brain power and problem solving.
- Stronger cultural identity and member of a worldwide group of people who are bilingual.
- Increased self-confidence.
- Better learning subsequent languages.
- Additional job prospects and an extra 10% added to Leaving Cert marks.

**Má tá Gaeilge agat, labhair í le do pháiste.
Don't worry if your child answers you in
English, their understanding and speaking
skills will improve all the time.**

**Buíochas do Mhúinteoir Clara atá ag
múineadh na ranganna Gaeilge do
thuismitheoirí faoi láthair.**
