- ❖ Scoil Fhionáin is a **Digital School of Distinction**. We use I.T. on a regular basis to support our curricular work.
- ❖ **The age for using Snapchat, Facebook, Whatsapp and Instagram is now 16.** That means if your child creates an account using a fake age, the filters are set as appropriate for that age. So if they use **your** age for example, the content available may be aimed at 18+. Parents need to use their Parent Power to ensure their children are allowed to enjoy a safe childhood.
- ❖ **Teachers often have to deal with the fall-out from inappropriate behaviour which is happening online- Please talk to your child about their online activity. (And ensure Fortnite doesn't interfere with homework!)**
